## Venue

The May 1997 comment resolution meeting for any comments arising out of the recirculation ballot will be held (as needed) at:

Sunnyvale, CA 94088 USA**

E-mail: kathleen.bohle@amd.com**

Starting:        Wednesday, May 7, 9:00 AM

Through to:    Friday, May 9, 5:00 PM

As this will be a comment resolution meeting to handle any comments which may arise from the current 802.11 recirculation ballot, and because the meeting could be canceled at the last moment (for example, if we don't get any recirculation comments), the arrangements will be a bit different than some previous meetings.

First the upside of the arrangements:

The meeting will be held in the AMD commons building which contains meeting rooms and the company cafeteria - this means that there will be no meeting fee. There will be the usual munches, and AMD will arrange lunch. Copying can be handled on site.

The down side:

Because of the possibility of meeting cancellation, you are on your own for hotel arrangements.

## Reservations

Because the meeting will be held in an AMD building, we need to know who will be attending by Friday, May 2<sup>nd</sup> in order to have visitor badges made up. If you just show up on Wed morning, we will try to get you into the building, but it may require you to have the AMD logo tattooed on your forehead - on time confirmation is recommended <grin>.

Please contact Kathleen Bohle via, voice, fax or email and provide her with your name and company - this will allow us to make badges and size the meeting munchy requirements.

### Location

On the following page to the AMD facility and the commons building.

From 101 take the Lawrence Expressway off ramp, go south on Lawrence (toward Fry's for those that know the local landmarks). Take the first right (also the first light) onto Duane/Oakmead. You will see the big white AMD headquarters building straight in front of you; go straight into the driveway into AMD. Turn left and follow the drive around the HQ building, after bending back right, you will see another building straight in front of you - this is the AMD commons building. Park and go to the front door of the Commons building and the guard will have badges ready etc.
